Property Details

Location: Playa Blanca

Exclusively for KPG Property and marketed through Lanzarote Investments, this is an excellent opportunity to acquire a detached villa with a private swimming pool in Playa Blanca, currently under construction and scheduled for completion in April 2027. Designed with contemporary architecture and generous outdoor spaces, this property will offer modern and functional living in one of Lanzarote's most sought-after residential areas. The villa will provide approximately 125 m² of built area arranged over two floors. The ground floor will feature a spacious kitchen-dining area, designed as a bright and practical space for everyday living, together with a separate lounge offering an additional area for relaxation and entertainment. This level will also include two double bedrooms, a family bathroom, an entrance hall, a utility room, and technical/storage areas, with direct access to the outdoor terraces and attractive pool area. The first floor will be dedicated to the master suite, which will include a dressing room, en-suite bathroom, and additional storage space. A large rooftop terrace will provide the perfect outdoor setting to enjoy Lanzarote's year-round sunshine and pleasant climate. Outside, the villa will benefit from a private swimming pool, landscaped gardens, and spacious terraces designed for outdoor living and entertaining. Its contemporary design combines clean architectural lines with high-quality finishes, creating an attractive and comfortable home, ideal as either a permanent residence or a holiday property. The property will include pre-installation for air conditioning, allowing future owners to install a system that best suits their requirements. This is an excellent opportunity to secure a newly built villa in Playa Blanca before completion. Contact Lanzarote Investments today for further information and to arrange a consultation regarding this exciting development. ****Disclaimer:**** Computer-generated images and artist impressions may not be entirely accurate and are provided for illustrative purposes only, giving prospective purchasers a general indication of the proposed design, layout, and finishes.
