A truly exceptional and highly unique luxury villa, recently renovated to an outstanding standard and presented with an incredible attention to detail throughout. Set in the prestigious area of Los Mojones, Puerto del Carmen, this spectacular 7 bedroom, 6 bathroom property is unlike anything currently available in the area. From the moment you enter, the quality is immediately apparent. The villa has been completely transformed using premium finishes, sophisticated design, beautiful bespoke details and high-end furnishings. No expense has been spared in creating a luxurious yet welcoming home, with every room thoughtfully designed and finished to an exceptional standard. The property comprises three individual buildings arranged around a stunning central courtyard, creating a wonderfully private and exclusive feel. The main house features a spectacular open-plan kitchen and dining area, beautifully appointed with high-end finishes and appliances, two generous double bedrooms with luxurious ensuite bathrooms, a guest WC and an impressive living room centred around an open fireplace, with French doors opening onto the courtyard. The two additional self-contained bungalows provide an exceptional level of flexibility. One offers three bedrooms and two bathrooms, while the second provides two bedrooms and one bathroom. Both have been renovated to the same exacting standard as the main residence, creating luxurious independent accommodation for family or visiting guests. Outside, the villa continues to impress, with beautifully landscaped mature gardens, a heated swimming pool, private hot tub and dedicated games area.
