Location: Playa Blanca

A rare opportunity to acquire one of just two new detached villas currently under construction in Playa Blanca, offering six bedrooms, a private swimming pool, mountain views and generous contemporary living space arranged over two floors. Designed with modern living in mind, each villa offers six spacious bedrooms, four bathrooms and two guest WCs, providing excellent accommodation for larger families or those looking for additional space for visiting friends and family. Air conditioning is fitted throughout all bedrooms for year-round comfort. The interiors feature a clean, contemporary design with quality modern finishes and bright, well-proportioned living spaces. Arranged across two levels, the carefully considered layout creates a natural separation between the principal living areas and bedroom accommodation, providing both practicality and privacy. Outside, each villa benefits from its own private swimming pool and generous terrace areas, creating an excellent setting for outdoor dining, entertaining and enjoying Lanzarote's year-round climate. Attractive mountain views provide a beautiful backdrop, while dedicated private parking adds further convenience. Ideally situated in Playa Blanca, the villas are within easy reach of the resort's beaches, restaurants, shops and everyday amenities, combining the benefits of a brand-new home with a convenient location on Lanzarote's southern coast. With only two villas available, this is an excellent opportunity to secure a substantial new-build home in Playa Blanca.
