Property Details

Location: Charco del Palo

We are pleased to present this stunning front line property with direct access to the beach. The property occupies a prime plot of nearly 2000m2 with outstanding and uninterrupted sea views across the Atlantic Ocean.

In addition to the main villa with its own elevator making it wheelchair friendly, there is a separate 50m2 studio apartment and an impressive fully enclosed swimming pool, complete with a private sauna, all set within a beautifully established garden, planted with native shrubs, cacti and palm trees.

The attractive main residence which has a lovely, natural lava stone tower feature, consists of an entrance gallery, a fully fitted kitchen - custom made from solid oak, a dining room, a huge study spread over two floors, 9 metres in height with showstopping floor to ceiling, solid wood bookcases. This space can be converted into additional bedrooms if required.

The spacious living room leads out onto a large terrace, as does the kitchen and dining room, on which you can fully appreciate the beautiful surroundings. The terrace extends across the whole of the southeast side of the property, providing a great space to relax outside. There are three bathrooms and a large master bedroom with ample storage, two large built-in wardrobes grace the walls.

Outside, in the grounds, there is a separate self-contained annex ideal for guests or perfect for a holiday rental, like the main villa, it has a great terrace and fantastic views. The garden provides plenty of areas to enjoy. Including a wine cellar and a cave like snug. The property benefits from a double garage/workshop and a sophisticated alarm and lighting system.

This is an amazing opportunity to own a luxury home, in a front-line position. Please request further information.
