Location: Yaiza

KPG Property offers an exceptional property opportunity in the heart of Yaiza, a village widely regarded as one of Lanzarote's most attractive and well-preserved locations. Set within a volcanic landscape and close to the island's main natural landmarks, this property combines flexibility, location and long-term appeal. The building currently operates under a valid hospitality licence and includes five en-suite bedrooms, each equipped with air conditioning and television, arranged to provide privacy and ease of use. The layout allows for straightforward day-to-day management or adaptation to suit alternative residential needs. Shared interior spaces include a comfortable lounge and dining area, which opens directly onto outdoor terraces. Here, a private swimming pool, sun deck and seating areas create an inviting environment with uninterrupted views over the surrounding lava fields and volcanoes. Externally, the property benefits from established gardens, stone terraces and a variety of outdoor areas designed to be enjoyed throughout the day, offering both shaded and open spaces. Its position provides fast access to Timanfaya National Park, El Golfo, Los Hervideros and the La Geria wine region, making it equally suitable as a peaceful private retreat, a substantial family residence, or a property with ongoing accommodation use. Properties of this type and location are increasingly difficult to find within Yaiza's protected village boundaries, making this a compelling opportunity with strong future versatility.
